Authorization for this examiner's amendment was given in a telephone interview with Joseph Coppola, Sr. on 11/2/06.

The application has been amended as follows:

- In line 2 of claim 1 the phrase "brake assist system" has been changed to --brake assistant system-- to maintain consistent terminology;
- In the last line of claim 1 the phrase "master cylinder is" has been changed to --master cylinder pressure is-- to provide proper antecedent basis;
- In line 2 of claim 10 (renumbered as claim 2) the phrase "the brake" has been changed to --a brake-- since it is the first recitation of a brake pedal;
- In the <sup>next to</sup> last line of the abstract the term "monotonously" has been deleted to maintain consistency with the claimed recitations.
